

Nissan Forklift

Nissan Forklift Training Whitby - Nissan takes immense delight in reaching complete customer satisfaction, when their consumer is experiencing one of their many products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to providing high value and meticulous quality values to their clients. Incorporating a rich heritage combined with solid processing principals, Nissan lift trucks offer some of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European manufacturing warehouse in Sweden to keep up with worldwide lift truck demands. Committed to providing customer support, the business has four distinct manufacturing facilities that permit them to constantly adapt to their customers continually evolving wishes by providing an array of innovative ideas and designs.

The Nissan Lift truck North and South American center is stationed in Marengo, Illinois. A loyal team of 350 personnel is committed to the cooperation, design and fabrication of their products. Operating under the ISO-9001 and ISO-14001 certifications, allows every sector of the Nissan Forklift Corporation to sustain environmental accountability by utilizing systems that diminish the worldwide influence of their products and processes. These high standards remind consumers that Nissan operates under the quality seal that their clients command whilst being an environmentally aware organization.

Nissan is quite confident that any of their consumers inquiries and client considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their community endorsed sellers or even traveling to their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their warmth and dedication.
